

How do I compare to a bear?

Comparing Hands

Line your hand up to the bottom of the paw print. Trace your hand. How are your hand print and the bear paw print alike and different?

Adult Male Brown Bear Paw Print

Measure your fingernail and the bear claw in centimeters and inches. Whose is longer?

BEAR: _____ cm / _____ in

ME: _____ cm / _____ in

**CONNECT
WITH NATURE**

Look for animal tracks in your backyard to find out what wildlife visits your home.
