

# First Flight Garland

Celebrate the opening of Flapaway Point in Pixie Hollow with this adorable craft!

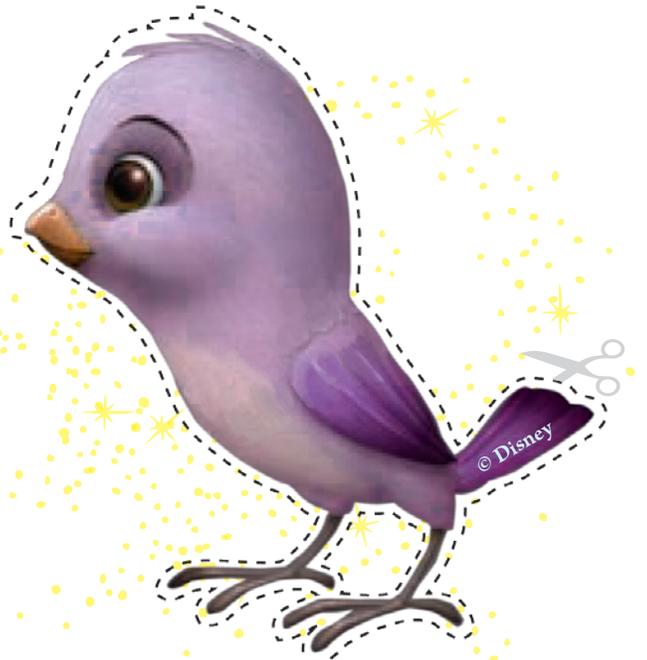

**Things you need:** Scissors, string, ruler, and tape.

## Instructions

1. Cut a piece of string as long as you like!
2. Cut out the birds and berries provided along the guidelines.
3. Position the string in the middle of the back side of a berry cutout and secure in place with tape.
4. Measure 4-6 inches and position a bird on the string and secure with tape.
5. Continue placing and taping down birds and berries until you've created the pattern above. Print out more sets of birds and flowers if you have a long piece of string.
6. Display your First Flight Garland in your favorite room or window!
