- Pizza sauce

- Shredded mozzarella cheese
- Fresh blueberries

DIRECTIONS:

1. Preheat oven to 400°

3. Spread pizza sauce on each crust.
4. Top your sauce with plenty of cheese.
5. Place your pizzas on a baking sheet and bake in the oven for 8 minutes.

6. While your pizza is cooking create your mast, sails and flag (see diagram 1).
7. Carefully remove pizzas from oven and allow to cool for a couple minutes.
8. Add each pizza to a plate and finish with the mast and sail (see step 6) like pictured in the photo above.
9. Set your ship afloat in a sea of blueberries by filling the open space on the plate with the berries.
