

A scene from Disney's 'The Princess and the Frog' featuring four fairies. From left to right: Tinkerbell with her signature yellow dress and black hair in a bun; Fawn with blonde hair and an orange dress; Bluebell with long blue hair and a blue and yellow dress; and Rosetta with red hair and a pink dress. They are all holding hands over a thick green vine that runs across the frame. The background is a soft-focus forest scene with green light rays.

Make a pact. And spit on it.
