

Kiss The Girl

There you see her
Sitting there across the way
She don't got a lot to say
But there's something about her

And you don't know why
But you're dying to try
You wanna kiss the girl

Yes, you want her
Look at her, you know you do
Possible she wants you to
There is one way to ask her

It don't take a word
Not a single word
Go on and kiss the girl

Sha la la la la, my oh my
Look like the boy too shy
Ain't gonna kiss the girl

Sha la la la la, ain't that sad
Ain't it a shame, too bad
He gonna miss the girl

Now's your moment
Floating in a blue lagoon
Boy, you better do it soon
No time will be better

She don't say a word
And she won't say a word
Until you kiss the girl

Sha la la la la, don't be scared
You got the mood prepared
Go on and kiss the girl

Sha la la la la, don't stop now
Don't try to hide it
How you wanna kiss the girl

Sha la la la la, float along
And listen to the song
The song say kiss the girl

Sha la la la la, the music play
Do what the music say
You gotta kiss the girl

You've gotta kiss the girl
You wanna kiss the girl
You've gotta kiss the girl
Go on and kiss the girl
