

# Part Of Your World

Look at this stuff, isn't it neat?  
Wouldn't you think my collection's complete?  
Wouldn't you think I'm the girl  
The girl who has ev'rything?

Look at this trove, treasures untold  
How many wonders can one cavern hold?  
Lookin' around here, you'd think  
Sure, she's got ev'rything

I've got gadgets and gizmos a-plenty  
I've got who's-its and what's-its galore  
You want thing-a-mabobs? I've got twenty  
But who cares? No big deal. I want more

I wanna be where the people are  
I wanna see, wanna see them dancin'  
Walkin' around on those  
Whaddya call 'em? Feet

Flippin' your fins, you don't get too far  
Legs are required for jumpin', dancin'  
Strollin' along down the  
What's that word again? Street

Up where they walk, up where they run  
Up where they stay all day in the sun  
Wanderin' free, wish I could be  
Part of that world

What would I give if I could live  
Out of these waters?  
What would I pay to spend a day  
Warm on the sand?

Betcha on land they understand  
That they don't reprimand their daughters  
Bright young women, sick of swimmin'  
Ready to stand

I'm ready to know what the people know  
Ask 'em my questions and get some answers  
What is a fire?—and why does it  
What's the word? Burn

When's it my turn?  
Wouldn't I love  
Love to explore that shore up above  
Out of the sea, wish I could be  
Part of that world

Ahhh, part of that world  
Ahhh, part of that world
