

Disneynature  
**chimpanzee  
ACTION KIT**

Before Disneynature CHIMPANZEE swings into theaters on Earth Day, April 20, enjoy these activities and get tips on how to protect habitats and wildlife in your own backyard, schoolyard and community!

FRIENDS FOR CHANGE is about taking steps together with your friends and family to make a positive impact on the world and the people and animals that live here.

**WHO  
SHARES  
THE RAINFOREST  
WITH THE  
CHIMPANZEES?**

Match the clue with the picture it best describes.

**CLUES:**

1. I hunt for my favorite foods such as fish, birds, turtles and small mammals at night.
2. I am one of the top predators in the rainforest and I help keep other animal populations healthy and balanced.
3. Our day is spent flying between plants that are 10-40 meters tall in search of nectar.
4. I have few predators and can hunt at any level of the rainforest, but I only build my nest in very high trees more than 40 meters tall.
5. My large bill is impressive. I eat fruit and insects.

**Answers:** Leopard-Clue #2, African Pied Hornbill-Clue #1, Honey Bees-Clue #3, Crowned Eagle-Clue #4, Dwarf Crocodile-Clue #5.

**?**  
**HOW  
CAN I HELP  
WILDLIFE  
IN MY  
BACKYARD?**

Circle the five pictures below that show ways you can learn about wildlife and protect the habitat around you.

Visit a zoo or aquarium

Blow bubbles

Eat frozen yogurt

Hang a birdhouse in your backyard

Throw trash on the ground

Keep an outdoor journal

Help pick up litter to keep habitats clean

Plant flowers or a tree

Get creative and draw a picture of an action you can take to help wildlife in your home, school or community.
