

3BOUNCE

- Place: Hard surface court
- Players Needed: 2 to 6
- Equipment: Basketball

Directions

Two teams take turns making shots. When a team makes a basket, they take their next shot from the place where the ball landed on its third bounce. When a shot is missed, it is the other team's turn, but they must start playing from the spot where the ball made its fifth bounce. Each basket is worth one point and the first team to get 21 points wins.

Safety Tip: Always get your parents help or permission before attempting this move (you never know, they might want to join you!).
