

# UNDECIDED

## HOW CAN DISNEY HELP A STUDENT WHOSE MAJOR IS UNDECIDED?

—With over 80,000 Cast Members working in areas as diverse as Accounting and Zoology the number of opportunities is endless at Walt Disney World® Resort and Disneyland® Resort.

—Twice a year, our company fills hundreds of Professional Internships and Management Internships with alumni of the Disney College Program. This gives participants an opportunity to work in a different line of business, usually in a more professional environment behind the scenes.

## WHAT CAN THE DISNEY COLLEGE PROGRAM DO FOR ME?

*"The Disney College Program provided me with a solid understanding of the Walt Disney Company; its history, the culture and the responsibilities as a Cast Member. Throughout the College Program I was able to gain valuable work experience in an operational role where I had daily Guest interaction. I gained the insight and importance as to what drives our business...the Guest!! Our Guests are the focus of everything we do in and out of the operation. This background led to my current role in Finance, where I am able to provide financial support and decisions to the operations team that allow them to make decisions with our Guest's expectations being top priority."*

—Patrick H. Murphy, Finance Food & Beverage Senior Planner

## NETWORK, NETWORK, NETWORK!

One of the most valuable parts of the program is the participant's opportunity to network with leaders in many different lines of business. There are several networking forums available where you can listen to Disney leaders discuss their current roles and career history. They can attend as many as they want, and that can help provide you with great insight to what our company can offer.
