

**Disney Wildlife Conservation Fund  
Rapid Response Funding FY 1998-2006  
Awards are Capped at \$5,000**

| <b>Year of Funding</b> | <b>Organization Name</b>                          | <b>Project Name</b>  | <b>Project Description</b>  | <b>Country</b> | <b>Species</b>   |
|------------------------|---|--|---|----------------|------------------|
| 2006                   | International Birding & Research Centre in Israel | Rapid Response Fund: Sanctuary Rehabilitation  | Rehabilitation of a Bird Migration Sanctuary Stopover after flooding destruction in Israel.   | Israel         | Birds            |
| 2006                   | Marathon Wild Bird Center, Inc.                   | Rapid Response Fund: Reorganizing the Key West Wildlife Center                                   | Reorganizing the Key West Wildlife Center with the Marathon Wild Bird Center to be able to reopen in time for the fall migration. The funds cover equipment, materials, food, and housing for sick or injured wildlife.   | United States  | Birds            |
| 2006                   | Wildlife Trust                                    | Rapid Response Fund: Black Lion Tamarin Conservation with IPE: Institute for Ecological Research | Replacing a computer damaged during a lightning storm and providing a surge protector to prevent future problems. This computer will allow researchers in Brazil the ability to continue recording and processing data they collect from the field for black lion tamarin conservation. | Brazil         | Primates         |
| 2005                   | ARCAS - Wildlife Rescue & Conservation Assoc.     | Rapid Response Fund: Hurricane Relief  | Providing housing, food, and vet supplies for wildlife affected by Hurricane Stan in Guatemala.   | Guatemala      | Multiple Species |
| 2005                   | Exotic & Wild Bird Rescue of the Florida Keys     | Rapid Response Fund: Hurricane Relief  | Providing hurricane relief, replacing food and purchasing a generator due to loss of electricity in the storm.  | United States  | Birds            |

**Disney Wildlife Conservation Fund  
Rapid Response Funding FY 1998-2006  
Awards are Capped at \$5,000**

|      |                                       |   |  |               |                  |
|------|---------------------------------------|---|--|---------------|------------------|
| 2005 | International Fund for Animal Welfare | Rapid Response Fund: Hurricane Relief                 | Locating, rescuing, rehabilitating, and finding homes for thousands of pets after Hurricane Katrina.           | United States | Multiple Species |
| 2005 | International Rhino Foundation        | Rapid Response Fund: Government Grant                 | Supplementing a Uganda Government grant to help with the conservation of Rhinos.                               | Uganda        | Rhinos           |
| 2005 | Jane Goodall Institute (The)          | Rapid Response Fund: Supplies for Confiscated Animals | Providing food and vet supplies for infant apes confiscated from the wildlife trade in Uganda.                 | Uganda        | Primates         |
| 2005 | Marathon Wild Bird Center             | Rapid Response Fund: Hurricane Relief                 | Supplying food and supplies to keep a wildlife rehabilitation facility functional following Hurricane Katrina. | United States | Birds            |
| 2005 | Minnesota Zoo                         | Rapid Response Fund: Deer Habitat Conservation        | Working with World Wildlife Fund in Russia for habitat restoration, specifically canal cleaning for deer.      | Russia        | Hoofed Stock     |
| 2005 | Pan African Sanctuaries Alliances     | Rapid Response Fund: Chimpanzee Relocation            | Aiding PASA in a project for Chimpanzee relocation.  | Angola        | Primates         |
| 2005 | Sanctuary Friends of the Florida Keys | Rapid Response Fund: Hurricane Relief                 | Replacing Mooring buoys lost in the 2005 hurricane season in order to protect the Key's coral reefs.           | United States | Coral Reefs      |
| 2005 | Sustainable Ecosystems Institute      | Rapid Response Fund: Tsunami Relief                   | Providing equipment and supplies to aid SEI in restoring coral reefs after the Asian tsunami.                  | Thailand      | Coral Reefs      |

**Disney Wildlife Conservation Fund

Awards are Capped at \$5,000**

|      |  |   |   |                |                      |
|------|--|---|---|----------------|----------------------|
| 2005 | Yucatan Environmental Foundation for Centro Ecologica Akumal (CEA) | Rapid Response Fund: Hurricane Relief               | Rebuilding dormitories for volunteers and educators at a key sea turtle education site in the Mexican Caribbean after a hurricane.  | Mexico         | Multiple Species     |
| 2004 | Bird Life International  | Rapid Response Fund: Dalmatian Pelican Conservation | Stabilizing a key pelican nesting site against erosion by erecting a barrier wall, engaging local communities to build it.  | Romania        | Birds                |
| 2004 | Fauna & Flora International  | Rapid Response Fund: Tsunami Relief                 | Facilitating access to food and medical aid for FFI staff and families; additional emergency supplies (gloves, masks, boots, and personnel medical kits) for FFI staff after the Asian tsunami.       | Indonesia      | AS Multiple          |
| 2004 | International Bird Rescue Research Center                          | Rapid Response Fund: Brown Pelican Conservation     | Supplementing funds for veterinary care and nutrition needs of an unusually high number of stranded and injured brown pelicans  | United States  | Birds                |
| 2004 | International Fund for Animal Welfare                              | Rapid Response Fund: Asian Tsunami Disaster         | Working with local organizations to vaccinate animals, saving livestock, reuniting survivors with missing pets, conducting assessments of damage to wildlife and habitats, developing recovery plans. | India          | Multiple Species     |
| 2004 | International Iguana Foundation                                    | Rapid Response Fund: Hurricane Relief               | Clearing access into the blue iguana breeding facility and employing local workers for cleanup and rebuilding.  | Cayman Islands | Reptiles/ Amphibians |

**Disney Wildlife Conservation Fund  
Rapid Response Funding FY 1998-2006  
Awards are Capped at \$5,000**

|      |   |  |  |                               |                      |
|------|---|--|--|-------------------------------|----------------------|
| 2004 | Pan African Sanctuaries Alliances                                     | Rapid Response Fund: Chimpanzee Conservation     | Providing medicines to stem a voracious outbreak of meningitis threatening the chimpanzees in PASA's care.   | Sierra Leone                  | Primates             |
| 2004 | Save the Elephants  | Rapid Response Fund: Elephant Tracking Vehicle   | Replacing a vehicle for Samburu elephant radio-tracking project(Wildlife Conservation Network).  | Kenya                         | Elephants            |
| 2004 | Swan Valley Ecosystem Management & Learning Center                    | Rapid Response Fund: Bear Conservation           | Helping to prevent bears from raiding local garbage bins thereby protecting them from extermination measures previously taken to prevent the behavior.                     | United States                 | Bears                |
| 2004 | Tapir Preservation Fund   | Rapid Response Fund: Tapir Research Vehicle      | Replacing a vehicle to aid in a tapir conservation program.  | Brazil                        | Hoofed Stock         |
| 2003 | Arcadia University  | Rapid Response Fund: Sea Turtle Conservation     | Supporting anti-poaching patrols on one of the most utilized beaches for endangered sea turtle nesting.  | Republic of Equatorial Guinea | Reptiles/ Amphibians |
| 2003 | Exotic & Wild Bird Rescue of the Florida Keys                         | Rapid Response Fund: Bird Rehabilitation         | Purchasing food and medical supplies to manage a larger than expected influx of birds tangled in monofilament line. Helping to also build monofilament recycling stations. | United States                 | Birds                |
| 2003 | Montana Fish, Wildlife and Parks Foundation/ Windriver Bear Institute | Rapid Response Fund: Bear Conservation with Dogs | Purchasing dog food and supporting the staff needed to continue this valuable program which deters bears from human interaction.   | United States                 | Bears                |

**Disney Wildlife Conservation Fund
