Queen Narissa Casts a Spell

Giselle and Edward thought they were confused when they popped out of that manhole in mid-town Manhattan, but that was nothing compared to the chaos the evil Queen Narissa stirred up when she got busy in the Big Apple.

She's scrambled everything up so much that no one — not even Robert (and he was born and raised here, for pumpkin's sake!) — can figure out what's what or where's where.

You can help this *Enchanted* trio by straightening out the confusion Narissa has caused. Unscramble the names of the places pictured below so they can pull themselves back together and outsmart that nasty Queen Narissa.
