Mix and Match Memory Game

Create your very own Memory game starring the Buddies, Duchess, Thomas O'Malley and the kittens. Print the game pieces below and then cut them out. For sturdier squares print on sticker paper and affix to a piece of cardboard before cutting.

Turn all the pieces face down and mix them up. Each player tries to find a match by turning two squares over. If they are the same, he or she keeps them. Otherwise they get put back and the game continues. Players must remember what they have seen where to find as many matches as possible. The person with the most squares at the end wins.
