How's Your Boy Technique?
Does Your Flirting Need A Makeover?
Take The Raven Quiz and Find Out How You Score!

Everyone knows how to flirt to catch that special guy ... right? Wrong!
You may be a little too shy or misreading his signals. Here's a fun way to test your technique to help you catch the guy of your dreams!

1. At the mall you unexpectedly bump into the cute boy from school who makes your heart race. You:
 - a. Avoid eye contact.
 - b. Make eye contact and ask him how his summer vacation's going.
 - c. Run away screaming.
2. The dreamy guy from math class keeps asking you to get together to work on homework. You assume he:
 - a. Is really bad at algebra.
 - b. Has a crush on you.
 - c. Is too cheap to get a tutor.
3. Friends of the guy you have a crush on ask if you're going to the game this weekend. This means:
 - a. They are really into basketball and want to know if you are a fan.
 - b. They are worried about having a small crowd at the game.
 - c. They are trying to help their friend get together with you at the game!
4. When your secret crush stops to tell you about his favorite band, you:
 - a. Look bored and cut him off.
 - b. Ask him why he loves their music.
 - c. Tell him you hate their music.
5. Your special friend stops to ask you what you are doing over the weekend. When he talks to you he looks into your eyes and lowers his voice. This means:
 - a. He is bored and has nothing to do over the weekend.
 - b. He is tired or has the flu.
 - c. He is watching you intently as he flirts with you.
6. You really want to attract that new guy at school. You style your hair and put on makeup and perfume, but you realize your most important flirting asset is:
 - a. Your smell
 - b. Your conversation
 - c. Your eyes
7. You're nervous about your upcoming date. You realize conversation is important. You decide to talk about:
 - a. A boring TV show you saw the night before.
 - b. How much you hated history class.
 - c. How excited you are about trying out for next year's school play.
8. You are out with your crush. You want to appear interested, but not too much. You should make eye contact:
 - a. For an hour without blinking.
 - b. About 75 percent of the time, looking away briefly
 - c. Don't look at him at all.
