

# FANTASIA

## 2000

**When Fantasia/2000 Soars into Classrooms, Imagination Takes Flight across the Curriculum!**

Fantasia/2000's educational possibilities are endless! That's why this stunning, feature-length classic should be available in every school's video collection. Teachers of all grades will find it invaluable for enlivening lessons across the curriculum.

- Spark student interest in the visual and performing arts
- Demonstrate the emotional power of great music
- Explore elements of character and story-telling
- Foster music appreciation
- Launch a cross-curricular journey with the activities in the Teacher's Guide

Building on Walt Disney's original masterpiece, Fantasia/2000 blends vivid, state-of-the-art animation with timeless compositions by great composers. Students of all ages will be captivated as they "see" the music and "hear" the animation.
