

BIOME CURRICULUM SET: DESERT

ALL 5 TITLES: \$179.00 68Q24VL00

Arizona Sonora Desert

Jeff scours the Sonora Desert looking for the Gila monster. Along the way, he catches up with a roadrunner, checks out a family of javelinas, and confronts a deadly scorpion.

\$39.95 68E98VL00

Mexico Baja California

Join Jeff as he travels to one of the world's most remote areas in search of one of the largest marine mammals, the California gray whale. Jeff kayaks through the Sea of Cortez, hikes across a cactus desert, and comes across a rattlesnake.

\$39.95 68F03VL00

Australia Red Center

Go bushwalking with Jeff at Ayers Rock in the Australian outback to find the elusive thorny devil. While in the Red Center Desert, Jeff sees a blue-tongued skink, honey ants, and the walking stick insect.

\$39.95 68F20VL00

California Death Valley National Park

Jeff is off to the desert in search of the desert bighorn sheep. The journey takes Jeff to the treacherous terrain of Dante's View, the highest point of Death Valley National Park.

\$39.95 68F23VL00

New Mexico Gila National Forest

Jeff gallops across the desert in Gila National Forest, looking for the almost-extinct Mexican gray wolf. Watch as he encounters a black-tailed rattlesnake, a pronghorn antelope, the light-speed prairie falcon, a desert white-tailed deer, and the Arizona mountain king snake.

\$39.95 68F27VL00

BIOME CURRICULUM SET: MARINE

ALL 5 TITLES: \$179.00 68Q27VL00

Belize Barrier Reef

Jeff takes you on an amazing trip to the largest reef in the Western Hemisphere, located off the coast of Belize. Watch as he dives with barracuda, squid, stingrays, and sea turtles, and feasts on kelp and coconut—all in search of the mysterious frigate bird.

\$39.95 68E89VL00

Micronesia Palau

Swim in a lake full of hundreds of jellyfish with Jeff when he travels to the magical islands of Palau in Micronesia. Encounter a coconut-eating crab, a flying fox, and the mythical man-eating giant clams.

\$39.95 68F16VL00

Australia Great Barrier Reef

Jeff parachutes into the Great Barrier Reef looking for the highly unusual duck-billed platypus. While on the platypus path, he encounters sea creatures, insects, and the frilled lizard. We'll also find an adorable koala, the laughing kookaburra, a crocodile, swamp wallabies, and a red-bellied black snake.

\$39.95 68F21VL00

California Monterey Bay

In Monterey Bay, California, Jeff finds the elephant seal, a massive marine mammal. But before he discovers a rather gigantic colony of North American elephant seals, he also encounters a raft of gregarious sea otters, the desert cottontail rabbit, sea lions, and a red-legged frog.

\$39.95 68F24VL00

Florida Florida Keys

When Jeff visits the Florida Keys, he has an exciting shark and horseshoe crab encounter while in search of the brainy, zany bottle-nosed dolphin. On the way, he'll treat viewers to rare views of the queen conch, the gorgeous rosy rat snake, and the Key deer.

\$39.95 68F25VL00

BIOME CURRICULUM SET: TEMPERATE FOREST

ALL 7 TITLES: \$249.00 68Q30VL00

New York New York City

Check out the urban jungle of New York City with Jeff when he goes to find a peregrine falcon and the shy flying squirrel. Watch as he races a carrier pigeon from the Empire State Building to the Bronx, and searches for wildlife in Central Park.

\$39.95 68E94VL00

Wyoming Yellowstone National Park

Journey to Wyoming in search of the feisty bobcat in Yellowstone National Park. Traveling down the Yellowstone River, Jeff spots a playful river otter, follows a pack of wild wolves, and hangs out at Old Faithful geyser.

\$39.95 68E99VL00

Tennessee Great Smoky Mountains National Park

Springtime in the Great Smoky Mountains finds Jeff looking for the elusive red wolf. Along the way, he finds a groundhog, black bear cubs, the copperhead snake, a black vulture, and the hellbender.

\$39.95 68F08VL00

Washington Olympic National Park

Rugged adventurer Jeff takes wing to find the bald eagle, our national bird, in Washington state's Olympic National Park.

\$39.95 68F12VL00

Washington North Cascades National Park

Journey to Washington state with Jeff on his quest for a secretive mammal, the fisher. While traversing this rugged terrain, eye the ominous raven, examine the clever rubber boa, and beware of the creature known as Bigfoot.

\$39.95 68F13VL00

Kentucky Mammoth Cave National Park

Explore the longest cave system in the world with Jeff when he visits Mammoth Cave National Park in his search for the wild turkey. See fish that are blind, foxes that are red, and snakes that can dance their way to safety.

\$39.95 68F18VL00

Colorado Rocky Mountain National Park

Jeff journeys through the Rocky Mountain National Park searching for the majestic Rocky Mountain elk. He's also treated to a taste of rose hips, nature's best form of vitamin C, and viewings of a bobcat, a mule deer, mountain lion cubs, a porcupine, and a coyote.

**BIOME CURRICULUM SET:
FRESHWATER**
ALL 4 TITLES: \$143.00 68Q25VL00

Idaho
Snake River Canyon
Jeff discovers wildlife that lives underground, and rappels down the cliffs of Idaho in search of a raptor nest. Then he tracks the prairie falcon along Idaho's Snake River, and meets up with a screech owl, kestrels, the golden eagle, badgers, and the whiptail lizard.
\$39.95 68E92VL00

Florida
Everglades
Utilizing his trusty airboat, Jeff combs Florida's "sea of grass," the Everglades, to look for North America's rarest reptile, the crocodile. On his journey, he visits both crocodile and alligator nests, and confronts the deadly coral snake.
\$39.95 68E90VL00

Florida
Homosassa River
Take a trip down Florida's rivers with Jeff as he tracks the West Indian manatee. Students will witness Jeff chasing down an 80-pound alligator, a snapping turtle and his close encounter with North America's only marsupial, the Virginia opossum.
\$39.95 68E91VL00

Louisiana
Atchafalaya Swamp
Journey through the largest river-basin swamp in North America in search of the elusive 4-foot salamander, the amphiuma. Encounter an orange-toothed nutria, visit an authentic Cajun houseboat, and learn the legend of the Louisiana werewolf.
\$39.95 68F07VL00

BIOME CURRICULUM SET: RAIN FOREST
ALL 8 TITLES: \$279.00 68Q28VL00

Belize
Blue Creek Preserve
Jeff is off to the rain forest of Belize in search of Central and South America's largest mammal, the tapir. Along the way, Jeff encounters the club-headed tree snake, the jaguarundi, a tarantula, leaf-cutter ants, and tasty termites.
\$39.95 68E88VL00

Costa Rica
Rincon de la Vieja
Jeff journeys from a dormant volcano to the shores of Tamarindo, where he encounters the giant leatherback turtle, one of nature's most amazing sea creatures. Visit geothermal hot springs and spend the night with Jeff in search of blood-sucking vampire bats.
\$39.95 68F04VL00

Costa Rica
Corcovado National Park
Join Jeff on this swinging adventure through the jungles of Costa Rica as he searches for gold and the tree-dwelling two-toed sloth. He discovers a poison frog, hears the howl of monkeys, and gets up close and personal with an army of ants.
\$39.95 68F05VL00

Hawaiian Islands
Hawaii
Travel through a lava tunnel with Jeff as he searches the big island of Hawaii for the highly adaptive mongoose. Experience one of the most powerful forces of nature, lava spewing from an active volcano, and see the only carnivorous caterpillar in the world.
\$39.95 68F15VL00

Papua New Guinea
Morobe Province
Trek into the tropical forests of Papua New Guinea with Jeff as he tracks down the world's most dangerous bird, the cassowary. Along the way, you'll see kangaroos that live in trees and lizards that have blue tongues.
\$39.95 68F17VL00

Thailand
Khao Yai National Park
Travel with Jeff to Southeast Asia to find the world's most venomous snake, the deadly king cobra. Visit the ruins of the ancient kingdom of Siam and encounter a deer that barks.
\$39.95 68F09VL00

Thailand
Khao Sok National Park
Join Jeff in Thailand where he observes the binturong, an animal that smells like popcorn and looks like a mix between a bear and a cat! Jeff also encounters the Asian elephant, a fishing cat, the slow loris, and a reticulated python.
\$39.95 68F10VL00

Borneo
Bako National Park
Jeff travels deep into the dense tropical forests of Borneo in search of the "forest man," also known as the orangutan. Meet a local Iban tribesman and get to know one of the world's largest reptiles, the estaurine crocodile.
\$39.95 68F11VL00

offers extension activities and
hands-on experiments.

**BIOME CURRICULUM SET:
TAIGA**
1 TITLE: \$39.95

Montana
Glacier National Park
Explore Glacier National Park in Montana with Jeff as he hunts for the colossal grizzly bear. Jeff also spots a Canadian lynx, goes face-to-face with a ferocious wolverine, and scales jagged cliffs to keep up with a mountain lion.
\$39.95 68F01VL00

**BIOME CURRICULUM SET:
TUNDRA**
2 TITLES: \$79.00 68Q29VL00

Alaska
Katmai National Park
In the "land of the midnight sun" Jeff searches for the awesome brown bear. Pilot a plane that lands on water, catch up to some playful sea otters, and stare down a moose in America's last frontier.
\$39.95 68F14VL00

Canada
Manitoba
Jeff travels the tundra in search of the polar bear as it begins its yearly migration to the frozen shores of the Hudson Bay. Meet a herd of reindeer and see firsthand how nature prepares animals for the harsh winter.
\$39.95 68F19VL00

BIOME CURRICULUM SET: GRASSLAND
ALL 7 TITLES: \$249.00 68Q26VL00

South Dakota
The Black Hills
Jeff leads viewers to the mixed-grass prairies of South Dakota as he tracks the endangered black-footed ferret. On his adventure, Jeff runs with the prairie antelope and sleeps in an authentic Native American tepee.
\$39.95 68E93VL00

South Africa
Djuma Wildlife Reserve
Visit Djuma in South Africa with Jeff, where you'll meet the bush baby, a horny-tailed pangolin, the hornbill bird, wild dogs, and a civet cat.
\$39.95 68E95VL00

South Africa
Ndzalama Wildlife Reserve
See and explore the South African bush with Jeff, where he encounters the aardwolf and its cousin, the hyena. Jeff also checks out the sable antelope, ostriches, jackals, and lions.
\$39.95 68E96VL00

Kenya
Tsavo East National Park
When Jeff visits Kenya in search of the rock hyrax, he also encounters klipspringers, monitor lizards, aardvarks, and cheetahs.
\$39.95 68E97VL00

California
Los Angeles
Meet some of Los Angeles's marine creatures, then head inland in search of the "trickster," the crafty coyote. Jeff encounters the tree rat in L.A.'s most exclusive neighborhoods, a mule deer, a climbing gray fox, a California newt, and the rattlesnake-eating California king snake.
\$39.95 68F02VL00

Venezuela
Llanos Region
Jeff gallops across the vast Llanos of Venezuela in search of the world's largest rodent, the 200-pound capybara. Experience the thrill of meeting the biggest serpent of them all, observing a giant otter, and watching piranhas in action.
\$39.95 68F06VL00

Tasmania
Freycinet National Park
Track the tazyzy with Jeff over the rugged terrain, swamps, and cliffs of Tasmania. You'll see regal black swans, the venomous black-faced tiger snake, the wombat, the fairy penguin, the eastern barred bandicoot, and a Bennett wallaby with her joey.
