

MARC RECORDS PROFILE SHEET

Thank you for choosing Disney! If you wish to add MARC Records to your Disney Educational Productions order, please complete the form below and return it via fax to your Disney Educational Representative at (215) 579-8589.

MARC Records are Provided by **marc4media**®

Predictable information in predictable locations, that's the essence of a MARC record. The difference in marc4media® is that the content of each record focuses on aligning media to educational objectives and learning outcomes using language that encourages access by a wide range of teachers and students.

marc4media Profile Number (optional)

Note: If you already have a marc4media profile, please fill in the barcode range only on this form.
