

## Ancient and Modern Culture

### DEFINING GLOBALIZATION RUBRIC

---

*The answer to question 1:*

- 4 is clear, complete, and convincing
- 3 is clear, but it is either incomplete or contains weak arguments
- 2 is not clearly stated, is somewhat incomplete, and is not convincing
- 1 is incomplete, contains weak arguments, and is not convincing

*The reason for your selection of globalization definition and the defense of your definition shows:*

- 4 much evidence of thought; is very clearly and precisely stated
- 3 some thought; is well written, but contains one or more unclear statements
- 2 little evidence of thought and not clearly stated
- 1 no evidence of thought and is poorly stated

*The answer to question 3:*

- 4 includes clearly stated valid disadvantages of your selected globalization definition
- 3 includes some disadvantages, but they are not clearly stated
- 2 includes statements that may be disadvantages, but are not directly related to your selected globalization definition
- 1 is poorly stated and shows little evidence of thought
