

Ancient and Modern Cultures: Civilization Classification Chart

CLASSIFICATION CHART

Use this chart of civilization characteristics to answer the following questions for the civilization you are studying:

1. What is the time span during which this civilization flourished?
2. What artifact evidence do we have to substantiate the civilization time and characteristics?
3. What other civilizations were contemporary with this civilization?
4. Would you consider your civilization to have been isolated or is there evidence of outside influences? If so, what kind(s) of influence and what might be the source of the influence?
