

## Ancient and Modern Cultures

### Ancient Man

#### INTERPRETING ARCHEOLOGICAL CLUES

---

As you watch the video “Ancient Man” answer the following questions:

1.
  - A. What artifacts were found that led archeologists James Adovasio and Olga Soffer to change their impression of life of Paleolithic cavemen?
  
  
  
  
  
  
  
  
  
  
  - B. What background did James Adovasio and Olga Soffer bring to their work that made them question previous interpretations of Paleolithic artifacts?
  
2. What artifacts were found with the Siberian Ice Lady?
  
  
  
  
  
  
  
  
  
  
3.
  - A. What types of and how many artifacts of the ancient cities were found off the coast of Egypt?
  
  
  
  
  
  
  
  
  
  
  - B. What clues were there that these cities existed and were known about prior to their discovery?
  
  
  
  
  
  
  
  
  
  
4. What evidence was given regarding the role modern technology plays in locating and interpreting ancient artifacts?
