

Global Human Rights Movement Timeline

GRAPHIC ORGANIZER

DIRECTIONS

Using the graphic organizer below, research and create a timeline that notes the various countries or organizations that tried intervention strategies. Note the country or organization, the year, the sanction or intervention, and the outcome of the intervention. As you fill in the timeline, keep in mind the following questions:

- Was there a specific point where it was obvious to the world that human rights were being abused?
- Should outside nations have acted more quickly and decisively against apartheid? If so, what prevented them from doing so?
- What were the suggestions of human rights organizations?

Sequence Pattern: List the event in the spaces below (1-6)

1 2 3 4 5 6

Supporting Details: For each event, include the following information in the boxes below:

- The country or organization.
- The year.
- The sanction or intervention.
- The outcome.
