

The Cold War

Exploring World Conditions

STUDENT ACTIVITY

DIRECTIONS

Decide which category each person in your group will investigate. Use the video program “The Cold War Part 1: The War Begins,” library resources, and the Internet to gather information. Use the structured note-taking graphic organizer below and find information addressing at least three questions in your category.

```
graph TD; A[The Cold War Begins] --> B[Circle the category you are researching:  
Social Issues      Political/Military Issues      Economic Issues]; B --> C[What are some of the issues in your category that would inform your team's recommendation to President Roosevelt on how to respond to Soviet demands in Yalta?];
