

The Cold War

Part 2: The Cold War Escalates

CAUSE, EFFECT & RESULT

Complete this Cause, Effect & Result chart for the major events shown in “The Cold War Escalates” video. Begin by writing what happened in the middle column, then write the cause in the left column, and the final result in the right column.

Why did it happen?	What happened?	What was the final result?
Why did it happen?	What happened?	What was the final result?
Why did it happen?	What happened?	What was the final result?
Why did it happen?	What happened?	What was the final result?
