

The Final Frontier
Space Age Technology

STUDENT ACTIVITY

T-CHART

As you read the Student Text, “What Goes Around Comes Around,” write down on the left side of the chart how science drives technology. On the right side of the chart, write down how technology allows more sophisticated science to be conducted.

Science and Telescopes

Science Driving Technology	Technology Enables Better Science

Describe in the space below another example of how science drives technology and how technology enables better science to be conducted. Use additional paper if necessary.
