

Kit's Paw Print Stickers

Things included:

Paw Print Cutouts

Things you need:

Scissors

Sticker Paper

Instructions for making Kit's Paw Print Sticker

- Step 1:* Print paw cutouts on sticker paper (found at your local crafts or office supplies store).
- Step 2:* Cut around the paw print as closely to the print as possible along the pale gray line, without cutting into the print itself.
- Step 3:* Peel and stick!

Kids, please ask a grown-up for help with your craft.
