Scene 1

FAIRY MARY

Oh, wonderful! A whole day off to myself!
The beach, cool iced tea, a good book, maybe a nap --

COPPER

Fairy Mary, I can't find the meadow grass measuring tape,
or the bark pliers, or the shell trimmers.

FAIRY MARY

What's this? They're all in the supply cabinet.

COPPER

Thanks, Fairy Mary. Enjoy your day off!

FAIRY MARY

Now where was I?

TIN

Fairy Mary, what should we do with the new wheels?

FAIRY MARY

Tin, you know those go to Clank and Bobble.

TIN

Oh, right. Thanks, Fairy Mary. Enjoy your day off!

FAIRY MARY

Now let me see, what was I doing?

TINKER BELL

Fairy Mary, what do we do about the broken table?

FAIRY MARY

Well, fix it, of course!

TINKER BELL

Okay. Thanks, Fairy Mary. Enjoy your day off!

FAIRY MARY

Teetering teapots, I haven't even had my tea yet!

COPPER

Sorry to bother you again, Fairy Mary.
I can't find the twig polisher.

Scene 1 (Continued)

FAIRY MARY

That's impossible!

TINKER BELL

Sorry to interrupt, Fairy Mary, but you know that table?
It sort of fell apart.

FAIRY MARY

Moon and stars, what is going on?
You're all acting like you've never tinkered before.
The twig polisher is always with the bark pliers.

COPPER

Oh. I guess I didn't see them!

FAIRY MARY

And the wheels are the right size. I measured them!

TIN

I wondered about that.
Bobbie wasn't wearing his glasses when he checked them.

FAIRY MARY

And if the table fell apart, then make a NEW table!
You DO know how to do that, don't you?

TINKER BELL

Of course I know!

FAIRY MARY

Then all of you, flap to it!
Some day off this turned out to be.
There's only one thing to do...

Scene 2

COPPER

Fairy Mary!

TIN

What are you doing here?

TINKER BELL

It's your day off!

FAIRY MARY

I think I'll get more rest here than I will at the beach!

Good night!
