- Tape**
- Scissors**

# Pixie Hollow

## Animal Masquerade Bird Mask

### Instructions for making the Animal Masquerade Bird Mask

- Step 1:** Cut each piece using the outer area as a guide. DO NOT cut along the thin inner line yet, including the eye holes on the mask.
- Step 2:** Use a glue stick to glue each piece to the flat center of a paper plate.
- Step 3:** Once all the pieces have been glued down, cut each piece out along the thin inner line. Make sure to cut out the eye holes on the mask.
- Step 4:** Glue the feathers behind the left and right side of the mask by aligning the patterns at the corner.
- Step 5:** Attach a thin stick to the back side of the mask by securing it with tape.
