Pixie Petal Invitation

Things included with kit:

Printable Petal Invitation

Things you need:

White 8 1/2" x 11" paper
Scissors

Instructions for making the Pixie Petal Invitation

Step 1: Print out the invitation on white paper.

Step 2: Have a parent cut out the invitation.

Step 3: Starting with the left petal, fold each one going counter clockwise so that they overlap as shown in the pictures below.

Step 4: Fold the invitation to form a pinwheel. Begin by folding down the left petal, then fold the bottom petal on top of the left petal. Continue by folding the right petal on top of the bottom petal. Finally, lock the invitation by folding the top petal above the right petal, but slide the left half of the top petal underneath the left petal you began with as shown in the pictures below.
