

Animal Masquerade Bird Mask

Celebrate the Animal Masquerade on the mainland with this critterific mask!

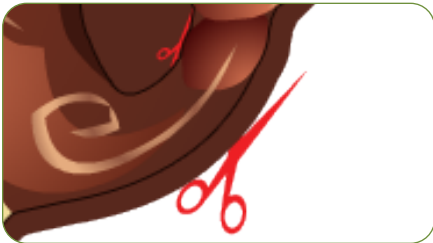

Things you need: 3 paper plates, A twig or stick that is at least 12" in length (approximately 1/4" diameter), Glue stick, Tape, and Scissors

Instructions

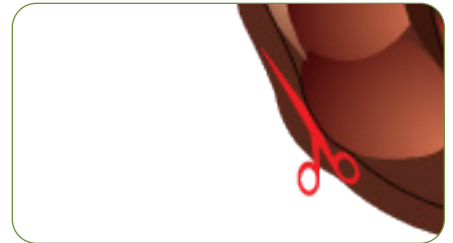

1. Cut each piece using the outer area as a guide. **DO NOT** cut along the thin inner line yet, including the eye holes on the mask.

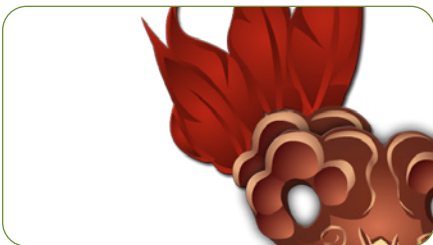

2. Use a glue stick to glue each piece to the flat center of a paper plate.

3. Once all the pieces have been glued down, cut each piece out along the thin inner line. Make sure to cut out the eye holes on the mask.

4. Glue the feathers behind the left and right side of the mask by aligning the patterns at the corner.

5. Attach a thin stick to the back side of the mask by securing it with tape.
