Recipe for Neverberry Punch

Neverberry Punch

A true neverberry (grown only in Pixie Hollow) has the perfect tart to sweet ratio. Here's how to make something just like it on the mainland!

Makes 5 servings

MAINLAND INGREDIENTS

1/2 cup sugar
1 cup of fresh lemon juice
(4 large lemons)
4 cups water
4 large strawberries
(or 6 small ones)
A handful of raspberries
A splash of cranberry juice
Ice

1. JUICE AND STIR

Squeeze the juice of four large lemons into a cup or bowl. Pour juice over a mesh strainer into a pitcher to remove seeds and pulp. Add water and sugar to the pitcher and mix well.

2. SLICE AND SPLASH

Cut the tops off the strawberries and slice to create rings. Add strawberry slices and whole raspberries to the pitcher. Pour in a splash of cranberry juice, stir and chill for 20 minutes.

3. FAIRY TASTING

Only residents of Pixie Hollow know the true taste of a neverberry. Have your Fairy taste the punch and determine whether it is sweet and tart enough. To make the punch more tart, add extra lemon. For a sweeter mix, add more sugar. Once you have your Fairy's approval, serve the punch over ice.

Recipe for Fairy Toast

Fairy Toast

Fairies smell like cinnamon to humans, so this is the perfect sweet treat to share with your little pixie!

MAINLAND INGREDIENTS

- 1/8 teaspoon cinnamon
- 1/8 teaspoon light brown sugar
- 1 teaspoon sugar
- 2 slices of white bread
- 2 teaspoons butter or margarine, softened
- 2 strawberries
- 4 blueberries

© Disney

- 1. PREPARE FAIRY TOPPING**
In a small bowl, add the cinnamon and both kinds of sugar. Stir them together with a spoon until all three ingredients are blended well.
- 2. TOAST AND SPRINKLE**
Toast bread lightly and spread butter or margarine on top. Take a spoonful of the Fairy topping and gently tap the side of the spoon over the top of your toast to sprinkle the mixture evenly.
- 3. DECORATE AND DUST**
Cut toast diagonally in half. Flip the halves so the crusts are touching and the cut edges are facing outward. Your toast should now look like a pair of Fairy wings! Slice blueberries and strawberries, and decorate the wings as you wish (your child can help with this part). Lightly dust the plate with cinnamon and enjoy!
