

Winter 2009 Banner

For the new season, assemble these four sheets to say "Sweet Snowflake, Winter's Here!" Surprise your child by decorating a room or someplace special for them.

Sweet

A vibrant Disney poster for the Snowflake Fairy. The background is a soft, ethereal blue with swirling patterns and numerous small, glowing yellow stars. Several large, intricate blue snowflakes are scattered throughout. In the upper right, a fairy with dark skin and black hair in a bun, wearing a bright yellow dress and orange headband, is shown in a dynamic flying pose with her wings spread. In the lower left, another fairy with light skin and long brown braids, wearing an orange dress and a green headband, is also shown in a flying pose. The title 'Snowflake' is written in a large, elegant, blue cursive font across the center of the image.

Snowflake,

Winter's

Here!
