

Silly Spinner

Use this Silly Spinner to have a great time with your friends! Just gather together in a circle and pass the Spinner around, letting each person have a turn spinning the pointer and acting out whatever silly thing it lands on!

Things included with Kit:

Silly Spinner

Things you need:

White 8 1/2" x 11" paper

Scissors

1 fastening brad

Instructions for making the Silly Spinner

- Step 1: Print the Silly Spinner on white paper, preferably using colored ink.
- Step 2: Have a parent cut out the Spinner and Pointer using the green dotted line as a guide, and glue them on a paper plate or a thick sheet of paper.
- Step 3: Cut the Spinner and Pointer from the paper plate or thick paper using the solid purple line as a guide.
- Step 4: Line up the flower on the Pointer with the flower on the Spinner.
- Step 5: Push the fastening brad through the middle of the flowers and secure it by pressing the two arms flat against the back of the paper.
- Step 6: Spin the pointer and act out whatever it says on the leaf section it lands on. Have fun and be safe!
