

Sparkling Firefly Lights

Celebrate this end-of-summer Sparkler on the mainland with this easy to assemble craft!

Things you need: Scissors, string, ruler, and tape.

Instructions

1. Cut a piece of string as long as you like!
2. Cut out the fireflies and sunflowers provided along the guidelines.
3. Position the string in the middle of the back side of a sunflower cutout and secure in place with tape.
4. Measure 4-6 inches and position a firefly on the string and secure with tape.
5. Continue placing and taping down fireflies and sunflowers until you've created the pattern above. Print out more sets of fireflies and sunflowers if you have a long piece of string.
6. Display your Sparkling Firefly Lights in your favorite room or window!
