

## Friendship Invitation

This fold-up flower invitation is perfect for inviting all of your friends to create their own Fairies and meet you in Pixie Hollow for fun and games!

Things you need: Scissors

## Instructions

1. Print out the invitation on white paper. Cut out the invitation. Fold the invitation to form a pinwheel.

2. Begin by folding down the left petal, then fold the bottom petal on top of the left petal. Continue by folding the right petal on top of the bottom petal.

3. Finally, lock the invitation by folding the top petal above the right petal, but slide the left half of the top petal underneath the left petal where you started as shown in the pictures below.

Kids, please ask a grown-up for help with your craft.
