

Leaf Puzzle

Help the Leaf-Painting Fairies change the green leaves to orange with this fun Autumn puzzle.

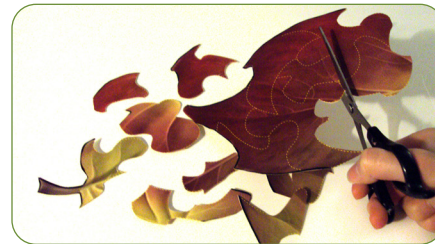

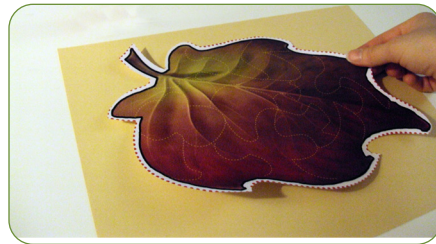

Things you need: Scissors, glue, construction paper

Instructions

1. Cut out the print-out leaf on page two using the dotted outline as a guide.
2. Next, glue the leaf print out on top of a piece of construction paper- any color will do!
3. Let the glue dry, then cut out the leaf along the black outline. Then cut it into pieces using the dashed lines as a guide.
4. Finally, put together your puzzle and help the Fairies turn the green summer leaves to orange autumn ones!
