Why?

Make mythological creatures morph before your eyes! Crayola® Erasable Markers are perfect tools for quick-change artists.

How?

1. Choose your favorite mythological creature or invent your own. Use Crayola® Erasable Markers to draw your animal on slick, nonporous white paper.
2. How would you like to change your creature? It's easy to add wings, claws, fangs, fire, and make other changes. Just erase any overlapping areas of your drawing with the eraser on the marker.
3. You're ready to draw your additions. Morph your creature as many times as you like!
