

ORIGAMI GAME INSTRUCTIONS

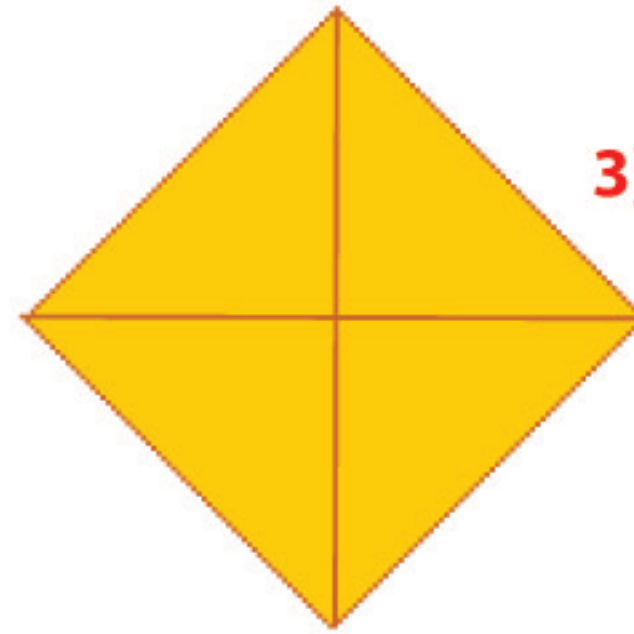

First cut out your Origami print out and then place it face down and follow the instructions below.

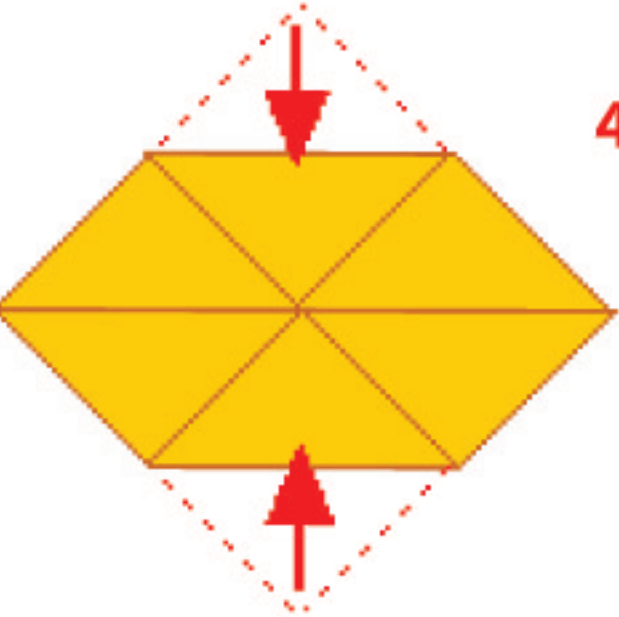

- 1)** Fold the square corner to corner diagonally to make a triangle.

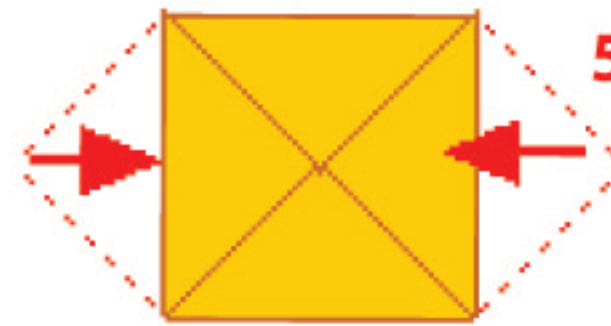

- 2)** Fold the two opposite ends of the triangle together, forming a smaller triangle.

- 3)** Open the paper up (unfolding all the folds).

- 4)** Fold a corner into the central point. Repeat with the opposite corner.

- 5)** Repeat with the other 2 corners. You'll end up with a square.

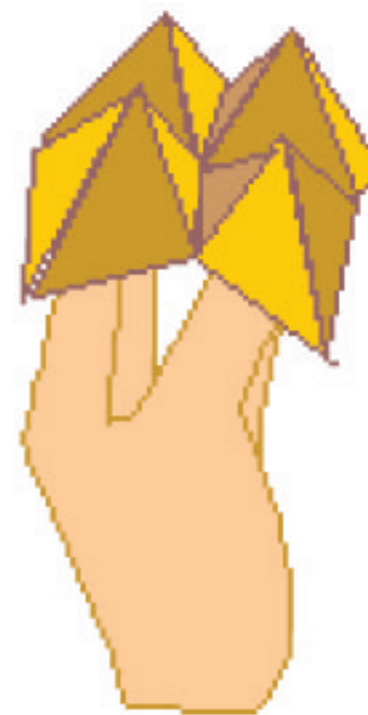

- 6)** Flip the paper over. Fold a corner over to the center. Repeat with the opposite corner.

- 7)** Fold over the 2 remaining corners. You'll end up with a smaller square.

- 8)** Fold the square in half. Unfold and fold in half the other way.

- 9)** Unfold and pull the four ends together, making a diamond-like shape. Pick up each of the four square flaps, and put your fingers inside. You will be able to move the four parts around.

HOW TO PLAY:

You'll need 2-4 players. Have a player choose a number from 1 to 10. Open and close the Origami Game that number of times. The player then selects 1 of the 4 visible flaps revealed when you stop. Read the player's fortune.
