The yearbook is an annual publication—therefore, your Charter Subscription means you are signing up to be billed on an annual basis for the yearly publication. You can cancel your subscription at any time. When the next yearbook is available (in 2007) we will send you a communication reminding you of your subscription and giving you the option to change your credit card information or, if you choose, cancel your subscription. If you do not respond, you will be charged for the second annual publication.
