"I Love to Conduct" Make Your Own Baton

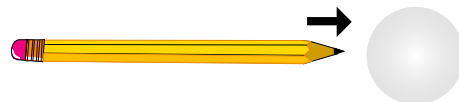

What You'll Need:

Styrofoam Ball (available at your local craft store)
Sharpened Pencil or Chop-stick
Glue
Glitter, Markers, Acrylic and/or puff paint

Instructions:

1. **With an adult's help, make a small hole in the styrofoam ball using either the pencil or chopstick**

2. **Fill hole with a few drops of glue. Insert pencil or chopstick, and let dry.**

3. **Using glitter, markers and paint, decorate your baton however you'd like!**

4. **Use your baton to conduct with Leo when you watch Little Einsteins.**
