- 1 Wash fabric and leave damp.
- 2 Prepare fabric as per instructions for selected tie die method.
- 3 Wearing rubber gloves, dissolve dye in 1litre warm water, stirring well. (For Cold Water dye also add Cold Fix and Salt.) Once dye solution has been prepared, it should be used immediately.
- 4 Immerse fabric in dye solution for 1 minute, squeezing gently.
- 5 Lift out and place fabric in a plastic bag, seal and leave over-night.
- 6 Take out of bag and without untying fabric, rinse in cold water until water runs clear, then untie and wash in hot water using normal washing detergent.
- 7 Dry away from direct heat and sunlight.
