# MEMORY CHALLENGE

**your=zone™**

Inspired to create your own zone? Every room in the game includes your zone furniture and accessories -- we've included some featured products below to help you get started and make your space your own!

## Room 1

**your zone chino curtains, blue multi stripe**

Go for bold color or neutral cover with these machine-washable chino curtains. Mix and match with Your Zone bedding and rugs for a quick change of view.

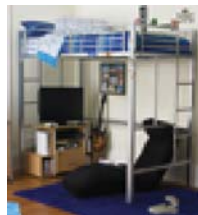

**your zone loft collection rolling desk**

With its large work surface, extra-wide drawer, side storage cabinet and under-desk shelf, this space-saving desk lets you keep everything you need both neatly tucked away and close at hand.

**i c u dot mirror**

Swing by and check yourself out on the way out the door. Cool gel stickers let you add your own style.

**your zone loft collection metal loft bed**

Perfect for small spaces (and the best view), a twin mattress fits atop this modern bed and everything else -- dresser, desk, gaming center, lounge, you name it -- can fit down below.

**your zone sheet set, camouflage**

These soft and cozy sheets are a treat to sleep in, while their bright colors will wake up your bedroom. Mix and match with YZ comforters, curtains, rugs and accessories to make your zone your own.

**your zone wave lounge**

For the most excellent in extreme lounging, catch this wave. The adjustable back- and footrests let you actually change the lounge's shape from upright to reclining to flat.

**your zone zip it storage box, stadium blue**

Stow clothes, books, sports gear: you name it. Pop it up when you need it, fold it flat when you don't. Colorful and super roomy, this canvas storage bin holds just about anything and zips closed to keep it all out of sight.

**your zone loft collection gaming center**

Game on! Strategically-placed cubbies, shelves and a generous drawer keep components, games and controls close at hand -- with plenty of room leftover for DVDs and CDs.

Available at Wal-Mart

## Room 2

**stick 'em, switch 'em wall decals, dots**  
Surfers and skulls? Or perhaps dots or talk bubbles better suit your style? Whatever you choose, these removable and reusable vinyl wall stickers let you express yourself without messing up the walls.

**your zone gadget charging station, stadium blue**

Juice up and go, with one central place to power MP3 players, cell phones and other gadgets, even while you sleep.

**your zone chino curtains, stadium blue stripe**

Go for bold color or neutral cover with these machine-washable chino curtains. Mix and match with Your Zone bedding and rugs for a quick change of view.

**your zone spiral desk lamp, peacock plume**

Bedside or desktop, it's light done right: boldly colored and fully adjustable to shine light where you need it. Mix and match with other Your Zone gear to make it your own.

**your zone tack-fully yours memo board**

Express yourself with this memo board, and use it to post your favorite photos, cards, notes and stuff. Mix and match with other Your Zone gear and make your zone your own.

**your zone pop it storage bin, stadium blue**

Pop it up when you need it, fold it flat when you don't. Colorful and super roomy, this storage bin will hold just about anything you can toss in it.

**your zone high five floor lamp**

Five flexible arms aim brightness wherever you need it. Change up the look by switching out the shades, comes with both frosted white and multicolored shades. It's light done right.

**your zone solid shag rug, stadium blue**

Made of 100% olefin, this plush, sink-in pile resists staining, fading, skidding and shedding while its bright color enlivens any décor. A treat for your feet.
