

CLICKER CAKE

Channel your kids' creativity into decorating a remote control for Dad on his special day.

INGREDIENTS

1 baked 13- by 9-inch cake or brownie
Dad's favorite frosting
Gel icing
Various candies

1. Slightly trim the long sides of a baked 13- by 9-inch cake or brownie to resemble a remote control.
2. Spread on a layer of Dad's favorite frosting, then press on various candies (we used Skittles, M&M's, and Spree candies) for control buttons.
3. Finally, use gel icing to add numbers, arrows, or other symbols to some of the buttons.
