

One day as Sid was running one of his toys fell out of his bag

Scud appeared and the toy started to run

I found it outside and put it in your room because I thought it was yours

Hey mom where did this dinosaur come from?

Cool a new Toy!

The Next day..

Where am I??

Chomp has a yellow rope around its neck. The background shows a wooden fence and a blue sky with clouds.

Hi there!

I am Chomp. I fell out of my owner
Sid's bag and some lady picked me
up and brought me here.

You came from Sid's house? I bet
you are glad to be here. That lady
was Andy's Mom. This is Andy's room.

Hey everyone you can come up now.

Hi everyone I am Chomp

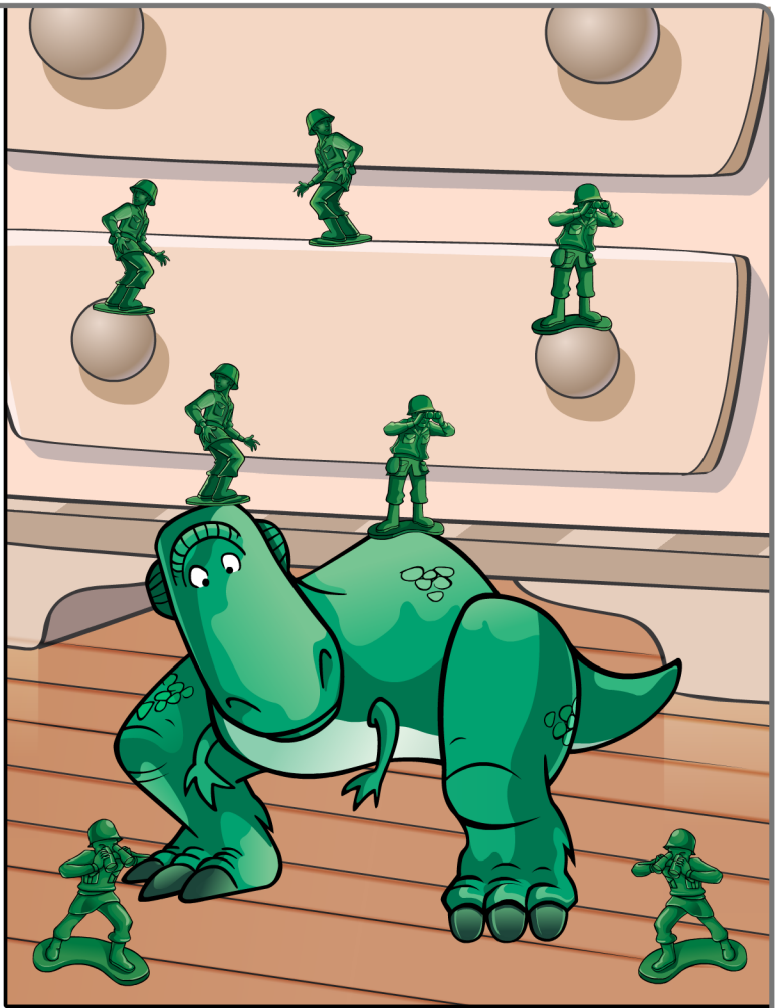

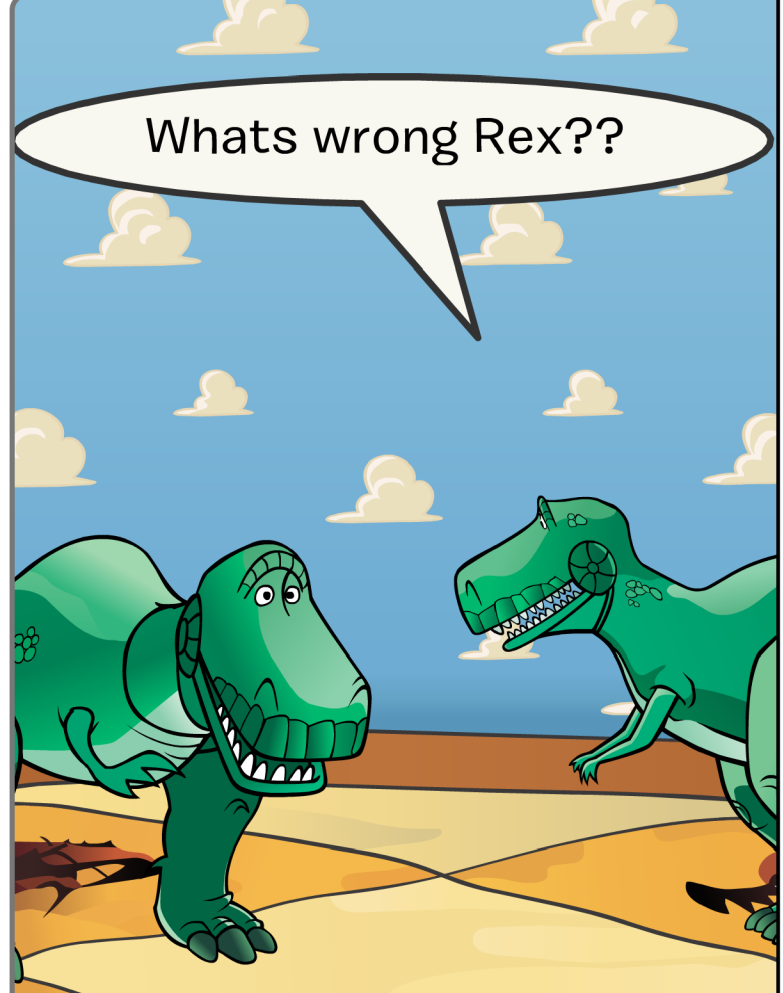

Another dinosaur?? Am I being replaced??

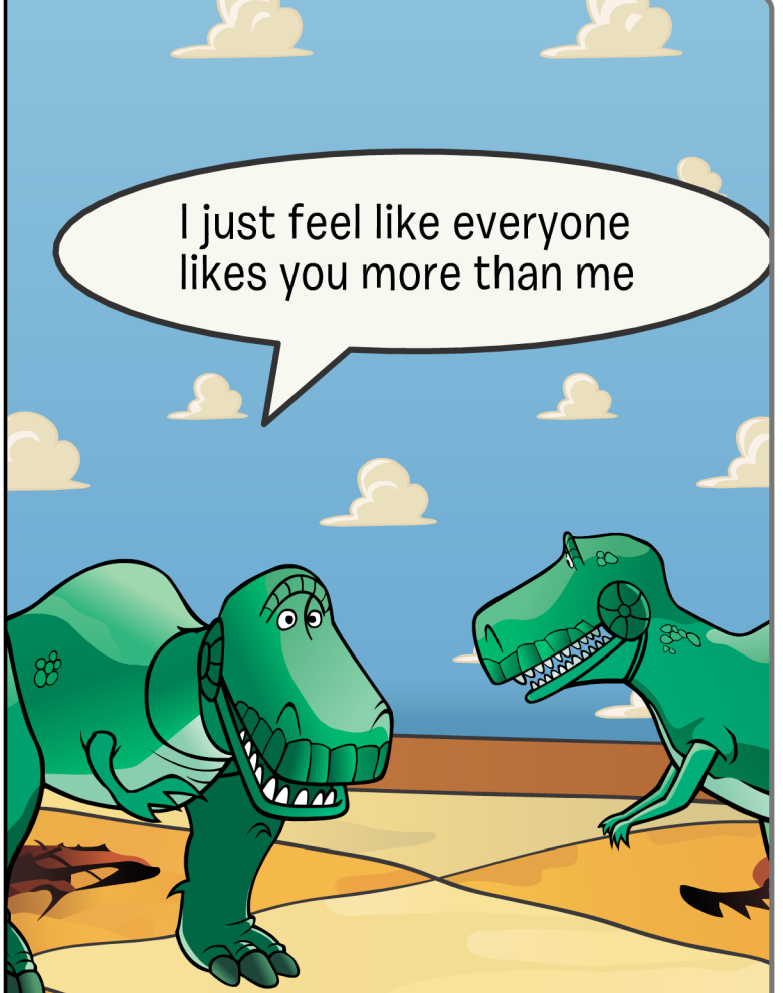

No of course not.
Andy just has two
dinosaurs now.

Whats wrong Rex??

I just feel like everyone
likes you more than me

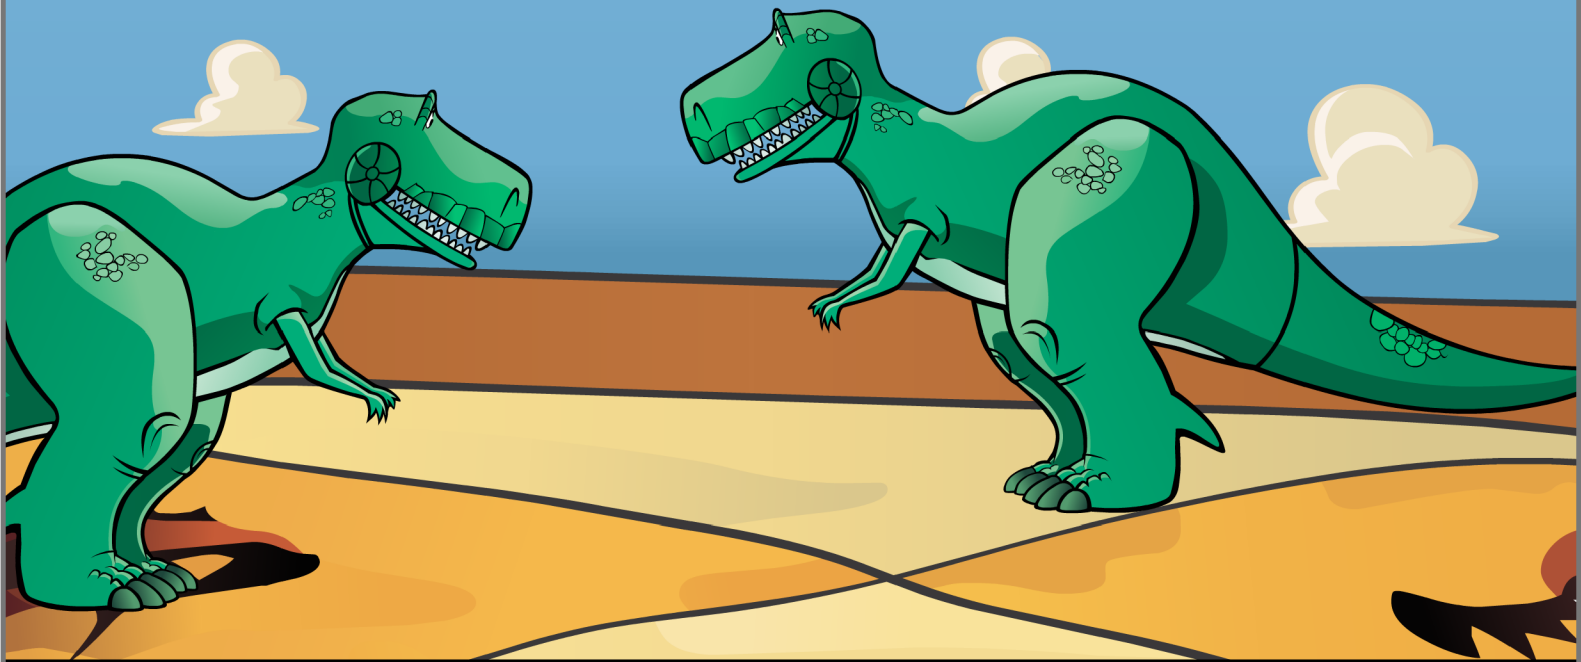

That's crazy. You have been
here longer than me. Your
friends still like you. I am
just the new guy.

But you are so much
more fun than me

I guess I could try

You just hide out all the time.
If you were more social you
could have fun too.

Woohoo! You were right Chomp. I just
needed to let go. Thanks for all your
advice. I am sure we will be great friends.

YRRROOM!
