A cartoon illustration of Woody from Toy Story sitting on a green sofa. He is wearing his signature cowboy hat, a plaid shirt, blue jeans, and brown boots. He has his arms crossed and is looking towards Mr. Potatohead. In the background, there is a large green Christmas tree decorated with yellow and blue lights and red and blue stars. Several wrapped presents are on the floor, including a large green one with a red ribbon. The room has brown patterned wallpaper and a blue door in the background.
