**5.** Score and fold the edge of the party blower then glue together. Allow to dry.

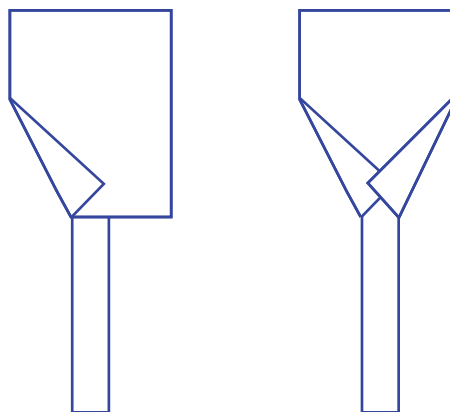

**6.** Use a pen or straw as a guide to roll the party blower up. Afterwards, wrap with a rubberband and allow to sit for one day before removing.

**7.** Apply double sided tape to the straw then Insert the straw into the opening of the party blower.

**8.** Fold the left edge followed by the right edge and to seal the straw in.

**9.** Allow to dry. Once the party blower has dried, start blowing!
