

HOW TO DRAW PERRY THE PLATYPUS

Step 1

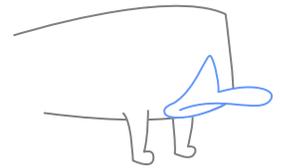

Perry the Platypus is like a big rectangular loaf of bread.

Step 2

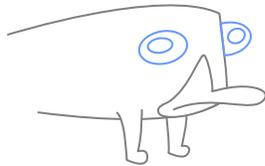

He's got these little tiny feet at the front of him.

Step 3

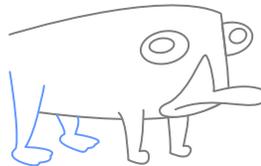

He's got a bill that attaches at an angle.

Step 4

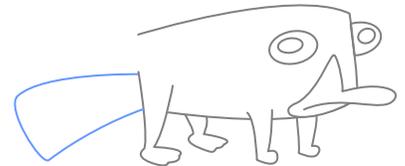

When in pet mode his eyes never focus, looking in opposite directions.

Step 5

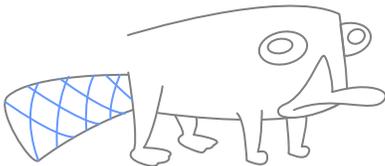

He's got webbed feet, like Platypuses are known to have.

Step 6

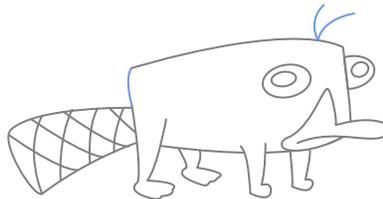

And a tail.

Step 7

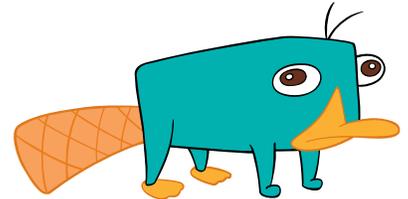

like a beaver.

Step 8

And two little tufts of hair up top.

Step 9

And there you have Perry the Platypus in his pet mode.
